

Marshall County
Shorthorn
Breeders

83rd Auction Sale

Monday, Feb. 18, 1957

Marshalltown Sales Barn
MARSHALLTOWN, IOWA

Announcement

It is with great satisfaction that the members of the Marshall County (Iowa) Shorthorn Breeders Association announce their forthcoming 83rd auction sale.

For a hundred years the rich pastures and fertile fields of central Iowa have produced prime beef, the most nourishing and substantial article of diet that has yet been available to mankind.

Partisans of various breeds of cattle may make extravagant claims for their favorites, but the fact that the Grand Champion steer over all breeds at the recent International Live Stock Exposition was a Shorthorn demonstrates the truth that no beef animal is superior to a good Shorthorn.

Prime beeves are still the highest-selling animals in the stock yards, and seem destined to remain in that position. The only known way to produce top-selling steers is through the use of good bulls as are selling in this sale.

We claim without fear of successful contradiction that the Marshall County Shorthorn Breeders Association is the oldest beef breed Association in America selling cattle over the auction block every year, in boom times or bad times, during war or peace.

The avid demand for females at private treaty has greatly reduced the number available for this year's sale. However, those listed are of excellent quality.

We are assured that the bull offering is worthy of very critical inspection.

Footnotes appended to many lots reveal the owners' appraisal, but are usually found to be very modest.

—SHOW—

All cattle are eligible to enter the show in their proper age classes. Years of experience as both breeder and judge has qualified A. J. Blakely, Grinnell, Iowa, to place these classes in an intelligent and unbiased manner. It will be educational to watch his placings.

SHOW AT 9:30 A. M. — — SALE AT 12:45 P. M.

Try to be here early. Things will move promptly.

HEIFER 4-H CLUB PROSPECTS—There are a few extra-good heifers of club age in this sale.

All are cordially invited to attend. Come and bring the family.

Terms and Conditions of Sale

LOCATION—The sale will be held in the comfortable new Marshalltown sales barn located on South 18th Avenue. This is just south of Main street, 18 blocks east of the Court House. It will be held on Monday, Feb. 18, 1957, at 12:45 o'clock. Intersecting highways make Marshalltown easy of access from all parts of Iowa and adjoining states. It is also on the main line of the Northwestern, Great Western and the M. & St. L. railroads. Marshalltown is 290 miles west of Chicago, 197 east of Omaha and 275 northeast of Kansas City.

TERMS—Cash, settlement to be made with clerk of the sale immediately at the conclusion of the auction. All animals will be at buyer's risk as soon as bid off, but will be cared for and loaded on cars or trucks in compliance with instructions from purchaser. Care will be taken to avoid accidents but will not be responsible should any occur.

GUARANTEE—All cattle have passed test for both Bangs and Tuberculosis. Health certificates will be furnished to enable these cattle to go into any state or territory. Bulls are guaranteed breeders if not used for service before they are 14 months of age and if properly cared for and not allowed to run with the herd. If a bull fails to breed, he may be returned to the seller if in as good condition as when bought and if, after three months trial by seller he proves infertile, purchase price will be refunded. All cows with calves at foot and those showing evidence of being with calf at time of sale are considered breeders, and no further guarantee is made with respect to them. All heifers under 16 months old and not yet bred, are sold open and at buyer's risk. All other cows and all heifers over 16 months old at time of the sale are guaranteed to be breeders. Animals returned to seller because they do not comply with guarantee will be at buyer's cost of transportation.

Sale Manager assumes no responsibility in case of settlement.

PEDIGREE CERTIFICATE—A certificate of Registry and Transfer will be furnished with each lot sold, and an application of Registry will be furnished for each calf sold at foot and each unborn calf sold in dam.

LUNCH—At Sale Barn.

AUCTIONEER—C. G. Mason.

FIELDMEN—J. E. Halsey of Wallace's Farmer; Clem Larson, National Association; Albert Hamann, Iowa Association; Kenneth Fulk, Beef Producers.

SALE UNDER COVER—RAIN OR SHINE

MARSHALL COUNTY SHORTHORN BREEDERS ASSOCIATION

Geo. H. Lewis, Pres. M. W. Stover, Sec.-Treas. Ross A. Long, Vice Pres.

—Please Bring This Catalog With You to the Sale—

Lot 1—Male CRUGGLETON RADIANT 2609-173 Homer A. Long

Red, calved Sept. 28, 1950. Bred by Albert Jas. Marshall, Stranraer, Wigtownshire, Scotland.

Calved property of Mathers Bros., Mason City, Ill.

2d owner, Nov. 5, 1951, Ross A. Long, Grundy Center, Ia.

3d owner, April 1, 1953, Homer A. Long, Grundy Center, Ia.

RWM, Albert James Marshall

Imp. Cruggleton Radiant was purchased when a yearling in Mathers Bros. sale at a cost of \$3,000.00. He is now six years old and most good cattlemen will understand that the service of this richly bred son of Cruggleton Elvin should now be transferred to another herd. Look at his pedigree. Every animal showing on the registration was bred by that master breeder, A. J. Marshall. Some of the females in our herd are either daughters or granddaughters, and also we are now using one of his favorite sons as a junior herd sire. If there is any question as to how this imported bull's progeny will breed on, please note that we are also consigning three grandsons of his. Please look them over. The proof is in the pudding.

Lot 2—Male ALBERT 60th 2845-468 Paul H. Aldinger

Research Monitor has about all that is needed to be one of the better bulls in any sale. His sire, Gold Research 6th, is a grandson of Imp. Glassingall Research, three times a first prize winner at the International Live Stock Show. His dam, Gipsy Bride 21st, was one of the higher selling females in the 1952 Iowa Royal sale, sold her first bull for \$700.00 to H. A. Stork, Lisbon, Ia., and have two good daughters in the herd. Her sire, Naemoor Monitor, was a first prize winner at the Perth show. Look this bull and his pedigree over. I believe you will like him.

Lot 21--Male ENGLISH VALLEY LEADER 2903-117 Osa Collins & Sons

Gloster's Rocket—This is a very dark red son of our junior herd sire and out of a dam that has few, if any, equals in our herd. The two bulls that averaged \$1,000 in the Marshalltown sale a few back were from this same cow. This young bull is a Supreme Goldfinder and carries the same quality of bone and thick fleshing characteristics of the Goldfinder.

Roan, Geo. Fanning	Roan, Galen & Daryl Freel

Marigold Flora is a thick, growthy show heifer, with a perfect head. We doubt that a more beautiful heifer will be sold in the state this winter. She was bred Oct. 3rd to the outstanding young show bull, College Leader 11th, which we purchased in the 1955 International sale from the University of Michigan. He showed to high honors in the recent show campaign, including the Grand Championship at the Mason City North Iowa fair.

Lot 34—Female MARGERY'S QUEEN 2888-063 Evergreen Farm
